To

K.S. Chandrasekhara Iyer, Esquire, B.A.,B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Gen.& Rev. Depts.

SIR,

With reference to your letter No.J.296, dated 25th July 1905 and subsequent reminders thereto, I have the honour to inform you that, owing to pressure of other work, it is not possible for me to devote any time just now to the preparation of a complete set of rules to be issued under the Mysore Mines Regulation of 1906. Nor does it appear to me necessary to hurry through the rules as under the General Clauses Act the rules issued under the Regulation of 1897 will continue to be in force until they are substituted by a fresh set of rules under the New Regulation. I would therefore beg to be allowed to take my own time in the matter.

2. If the Government however think it necessary to issue a set of rules at once under the Regulation of 1907, I would suggest the issue of a Notification bringing the old rules into force under the New Regulation and in this case I shall be glad to send a copy of the old rules with some amendments effected therein sometime ago.

3. As the Government have always the power to amend these rules, they can be substituted by fresh rules when my revision of the old rules is complete.

I have the honour to be,

Sir,

Your most obedient servant,
